

Extracurricular String Program 2018-2019

Dear Victor Students and Families:

I am excited to be offering this year an extracurricular beginning string program. I have collected 12 violins, 1 viola, and 1 bass, and am working on raising money for a cello (see my DonorsChoose page here: <https://www.donorschoose.org/HeidiSchnarr>). Students will be able to borrow these instruments to practice and perform on, or you may provide your own.

This will be offered as an extracurricular to interested students. No prerequisite is necessary. Students will be accepted based on the number of instruments available, and starting with high schoolers, then extending to middle school as numbers allow. It will meet before school and parents are responsible for transportation. A schedule will be set up based on students' availability. Regular attendance is critical to participation in the program.

If your 6th -12th grader is interested, please sign and return the form below. Thank you for your interest! If you have any questions you can contact me at Schnarr@victor.k12.mt.us . A note will be sent home when your child is accepted and the schedule is set.

Sincerely,

Heidi Schnarr

Music K-12 Teacher
