

Dan Johnston

MS/HS Principal

Dear Visitors,

Thank you for taking the time to explore our website and find out more about our great little school. We pride ourselves in being a gracious and accepting school where students have a strong sense of belonging. We have strong academic programs and extracurricular activities that everyone excels in, no matter their size or ability.

This year our goal is to increase student engagement by 80 percent, promote a safe and healthy atmosphere, and offer the personal instruction of a small school with the opportunities of a large school.

We realize the school is the center of the community, and we work hard to keep you informed and make you proud. Please follow us on Facebook [by clicking here](#), or simply searching Victor Pirates. Also you can contact me at johnston@victor.k12.mt.us or (406)642-3221. While we love to hear how wonderful we are, it is also important to hear how we can thoughtfully improve. Either way your input is important to us.

Sincerely,
Dan Johnston
